At the time of my daughter Birth on March 2, 2018
 At 4:50 AM and given Birth At home, the doctor had
 Send me home when i was Supposed To Stay In the
 hospital, Because i was a high Risk Pregnancy.
 I was ALSO told that i ~~was~~ had (Retardation with mean
 the action of delaying and Slowing the progress or
 development of something.) But that does not mean i
 Cant Parent a Child. And that i Could not tell the
 Difference Between giving Birth or have! Contraction
 Not all pregnancy is Not the Same people in the world
 have 7 Kids or 4 Kids and i bet you that those women
 didn't have contraction. The doctor's have lied to DCF
 Because there was no danger to the Child Rebekah
 has feed the newborn write and Change her write. And
 doctor's aren't Supposed to make that Decision
 without a mental Health that Can determine if we are
 unfit PARNets. There for we are Not happy about this and
 this is something doctors & DCF plain Before a Child is
 Ready to Birth out of a women this has to stop this
~~Corrupt~~ Corrupt Doctor's and DCF To Call Someone
 with a slow IQ with is agasint the ADA.

#2 Wrong Full of Discrimination

I Rebekah Brooke

Thompson, Born November 18, 1991 In Avon Park Florida.

I was Beating and abuse and had head trauma to my head and seizures. And All my life from my parents to School i have been Called Retarded. And know when i had a Baby the doctors and DCF had called me Retarded and Slow and that i cant parent a Child becuse of my disability and that while my husband is black my parents hated that. So they had told DCF to Remove my Child, because i was Slow and Retarded, these was the words of the doctors and DCF, And that Chester Thompson had angry issues that he would hurt me and the Baby. which no mental Health doctor that Chester seen told the courts that there was danger to harm a wife or child. and that all Black men do to white women. This Not fear to Judge me over my husband on the matter of my husband Being Black. We did all the programs they ask for and still denied us to get our daughter Back. No mental Health provider sat at any of our visit to see what our behavior was towards each other or to our daughter Renesmee. the only problem they had with me as a mother was Changing a Diaper and to Change it fast i Cant Change a diaper fast, Because you cant hurt your baby or put it on the wrong way. #4 DCF/Violation of our Constitution Rights towards parents
DCF Also Denied our 1st 4th 5th 6th 9th 14th
amendment Rights. And i feel that DCF is being
excluded to those amendment, so Can abuse there
power to take Children away from people with
false Reports and that while i am a black men
in the USA i have no say in mything with because
a hate Crime. they have been for year putting
up Children for adoption even when parents are
doing the write thing to get the Child back home
they are selling kids, kids are being abuse and kill
ed, in the foster home all over the ~~country~~ world
my daughter has been abuse and Biting in
the face and the foster mom said she feel on a
Rock and when we ask about her injuries they said
she would be fine and these things happend all
the time with kids. which i disagree they need to
be held to there work. these people have been
Racist towards me By the foster mom calls
me Nigger words and the Courts say she
was havin a Rough week. So the Courts don't
thank we don't got in Rough we ARE the parents
of my daughter that Sits and Eats and Sleep ~~Everying~~
at a white lady House thats calls me a Nigger
And DCF told me that she was Just Stress
But my daughter is half Black & White.
